

# R2M Ltd Wins Contract With Severn Trent Water

R2M Ltd is delighted to announce a Framework partnership with Severn Trent Water for the next 3 years, with an opportunity of extension. This significant contract will see supplies of emergency fittings, on a 24/7 call out service, 365 days a year, to over 4 million homes and businesses. Severn Trent and its alliance partners will now have access to emergency fittings & service from 80-1200mm dia, to ensure there is no disruption.

This will include wide tolerance restraint fittings, long barrel couplings, flange adaptors, bespoke & off-the-shelf encapsulation collars, repair fittings, flange convertors & steel specials.

Our proactive approach to resolving pipeline issues efficiently and effectively, upholds Severn Trent's corporate values.

Lee Vicker (R2M Ltd Managing Director) commented, 'We are delighted to continue our work with Severn Trent, in order to reduce disruption during burst events and provide continuous emergency assistance. Being available to respond at any time, is in our DNA and no one can match our service and expertise'. As one of the water industry's leading innovators with service-led excellence, R2M Ltd will continue to support partners across the UK.
